ABOUT US

WHO WE ARE

Sachiya Maata Exports manufactures and exports fly dressing tools and carp fishing tackle from Kolkata, West Bengal. The company was previously known to the trade as Munot International, and the product codes in this catalogue are unchanged – so existing customers can order exactly as before.

Everything in these pages is made in brass, stainless steel, aluminium or mild steel and finished by hand. We supply tackle brands, wholesalers and mail-order houses across the United Kingdom, France, Germany, Italy, Poland and North America.

OWN-BRAND PACKING

Blister cards, printed headers, poly bags and wooden presentation boxes carrying your own logo. Minimum quantities apply per code.

HOW TO ORDER

Quote the five-digit product code, the quantity and your destination port. We reply with FOB Kolkata prices, lead time and carton dimensions.
